Don't just take our word for it, here's what some of our corporate partners have to say about Bethpage@Work!

“ Our partnership with Bethpage Federal Credit Union goes beyond an available on-site ATM for our employees. Bethpage provides Leviton employees with educational assistance and information on savings, budgeting, home ownership, insurance, and more – an important aspect for employee engagement and appreciation. It is a partnership that has parallel beliefs on the importance of providing outstanding customer service.

Frances B. Wolfson, Vice President, Human Resources, *Leviton*

“ Both Alure, and myself personally, have been working with Bethpage Federal Credit Union for several years. In addition to their unwavering commitment to the Long Island Community, the Bethpage staff is exceptional and after several years of working together, I'm proud to call several of them my “friends”.

Whether it's assisting our employees with their own banking needs, partnering with Alure at education seminars or other community events, or helping our clients with financing for their home improvement projects, the entire staff at Bethpage is exceptional, responsive and always attentive to providing remarkable customer service. Whether it's a customer or an employee ours, we always have the utmost confidence that we can connect them with anyone on the Bethpage team, and know they are in good hands.
