Tired of being the last to know about homes for sale?

If you're in the market for your next home, then you're all too familiar with these frustrations:

- Someone else buys the home before you even know about it.
- "Premier Agents" on websites like Zillow or Trulia will redirect you to properties that do not match your needs.
- "Partner Agents" from websites like Redfin won't have any knowledge about the property you're interested in AND will try to interest you in different properties instead.

With our **#EXCLUSIVELYOURS** program, you'll be the first to know about our newest properties and learn about them from the real estate agent that knows the property and the local market better than anyone.

INTRODUCING #EXCLUSIVELYOURS

Exclusive listings, only available on danielgale.com + sothebysrealty.com

Putting up the “For Sale” sign everywhere online might seem like a good idea at first, but there’s a reason why sellers are choosing to list exclusively with Daniel Gale Sotheby’s International Realty.

- Potential buyers are in direct contact with the listing agent that knows all about your property—unlike “Preferred Agents” on sites like Zillow.
- Listing Agents are committed to selling your property and won’t redirect them to another seller’s for a quick sell—unlike “Partner Agents” from sites like Redfin.
- Exclusive listings will appear only on DanielGale.com and SIR.com
- Serious buyers that want to make an offer before anyone else that want a smooth transaction prefer our exclusive listings—unlike...well everyone else.

As you list your home for sale, please consider taking advantage of making it **#EXCLUSIVELYOURS**.
